### Dealer Responsibility

Must keep seals in a secured location (lock and key cabinet or safe). The dealership is responsible for ALL seals in his or her possession.

Issuing tags are for a 30 day purchase, 14 day loaner, 72 hour demonstration, or 72 hour transport.

Replacement tag is for a customer that has damaged or lost their tag or seal.

Such as: Child tearing up the tag, the tag blowing out the window, or someone stealing the tag from their vehicle.

Extending a tag is for circumstances of delayed title. Under NO circumstances should anyone extend tags to customers unless there is a title problem.

Expire tag is for when you damage a seal by writing the wrong date or tearing the tag when taking it off the roll. Also, you would expire a tag if your customer returns the vehicle.

The cost of the tag will be assessed to the customer upon registering the vehicle with the State of Arkansas.

Seal/Tag abuse can result in an Audit or Investigation from the State Police or Department of Finance and Administration. I understand that penalties can be assessed to my dealership by the State Police or DFA if seal/tag abuse is found.

**I have read the above statements and understand all statements.**
